

1. Download the Moodle app

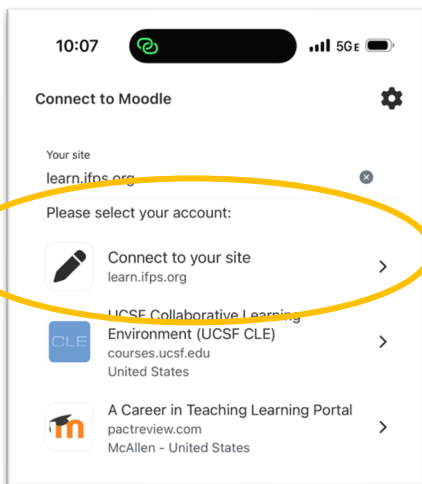

2. On the home screen, enter IFPS LMS URL:

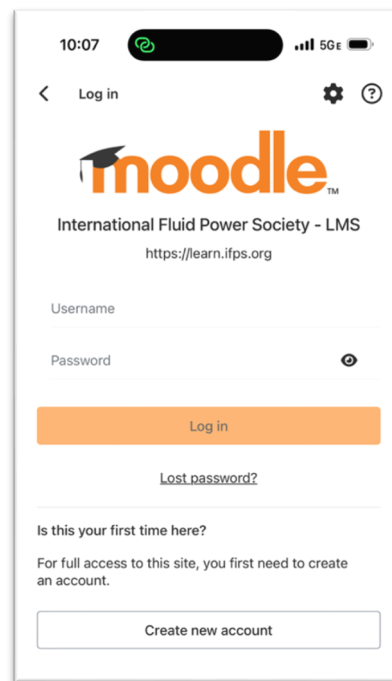

Or scan this QR Code

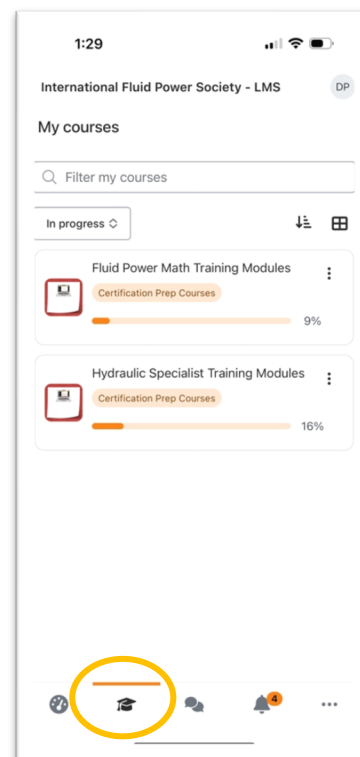

3. Select connect to your site when you see learn.ifps.org

4. Then enter your username and password

5. Once you've entered your username and password and have logged in, click the "graduation hat" to see your enrolled courses.

Once you select a module course, you will be prompted to download the outcomes you wish to view. These downloads will then be available for offline use.
